Crudelitatis mater avaritia est. I write to inform you about my letter of 28.09.2018 sent to Director of the National Crime Agency and to Secretary of the Home Office, as referred below {1}. Despite urgency of my concern and my request, my letter was not responded in any appropriate way until now, therefore I request immediate implementation of law specified in my aforesaid letter, namely, the confiscation of German and Swiss assets and property, as well as the confiscation of assets and property stolen from Russia since 1989, that must be granted to me and to the Fund of the Constitutional Development, as justified and substantiated previously {2-14}.

Secondly, I apply for administrative assistance in order to arrest and to prosecute the Mayor of Berlin Michael Müller and members of his administration due to corruption, organized crimes, robbery, racketeering, torturing, kidnapping and several other capital offenses, as reported or not yet reported but in any case substantiated previously {15-18}.

Please don't hesitate to contact me or other witnesses for more information, should it be required to proceed.
