Crudelitatis mater avaritia est. I refer to several justified demands expressed in my Letters to the American People {1}, that, despite urgency of my concern, were not responded in any appropriate way until now, therefore I request immediate implementation of law specified in my aforesaid Letters, namely, the confiscation of German and Swiss assets and property, particularly, 1.236 tons of gold deposited at the Federal Reserve Bank in New York, as well as the confiscation of assets and property stolen from Russia since 1989, that must be granted to me and to the Fund of the Constitutional Development, as requested and substantiated previously {2–4}.

Secondly, I apply for administrative assistance in order to arrest and to prosecute the Mayor of Berlin Michael Müller and members of his administration due to corruption, organized crimes, robbery, racketeering, torturing, kidnapping and several other capital offenses, as reported or not yet reported but in any case substantiated previously {5-8}.

Please don't hesitate to contact me or other witnesses for more information, should it be required to proceed.
