26.02.2019

Referring to my letter of 10.11.2016 and declaration of 21.02.2019 I request the payment of £ 1 Million, that shall be payed to me immediately on behalf of other members of the society whose president you are since 1.12.2015. Due to dethronement of Elizabeth II and termination of British monarchy, the Charter of the Royal Society has become invalid and the Royal Society has ceased to exist in law.

In case of nonpayment, I will confiscate all assets and property of the society represented by you, and will issue international arrest warrants against you and every member of named criminal society because of a lot of wrongdoings.
